The range of short courses delivered by the College continues to expand every year and is growing in popularity with nearly a thousand people of all ages and backgrounds coming to us for instruction in Gaelic language & culture, Gaelic song, fiddle, accordion, photography, community based courses and a range of other specialist subjects offered by a talented team of instructors. Our 5-day on campus courses are a great way to learn more about the Gaelic language and culture, meet new people and enjoy a good music session or two in a Gaelic environment at the heart of a warm and friendly community.

We also offer evening activities which are an essential part of the short course experience, and include ceilidhs and concerts, music sessions, conversation circles and workshops. This encouraging atmosphere brings students together to engage with each other and with locals who may impart some of their stories and knowledge of the area.

The courses led by SMO attract students from all over the world including Canada, the USA, Switzerland, Italy, Germany, Estonia and Japan. The Gaelic culture is rich in tradition, song and music which attract others to the language, and the global interest in Gaelic continues to grow each year.

We offer short courses for two weeks over Easter and several weeks throughout the summer months. The College also runs evening & weekend courses both on campus and in different communities across Scotland and we can also arrange tailor-made courses or specialist training for groups throughout the year.

SPECIAL FEATURES

An Cùrsa Inntrigidh is Sabhal Mòr Ostaig's Gaelic Access Course. It is taught part-time by supported distance delivery. A distinctive feature of the course is the sequential delivery of units so that only one unit is studied at any one time, and each unit is a pre-requisite for the one which follows. The course is delivered in 3 parts and 12 Units. Language skills are built gradually and systematically, taking students to a level of fluency which will allow them to progress to first year University level Gaelic courses.

COURSE CONTENT

SCQF Level 4 - 6

Units 1-12 (all core) over 10 months (accelerated track), or a year and a half (standard track).

DESCRIPTION

An Cùrsa Inntrigidh has been designed for complete beginners and learners with a little Gaelic. It is a self-study tutor-supported Gaelic course made up of three parts – Earrann 1, 2 and 3. There are a number of start dates between August and March each year. Course materials are accessed online and most of the learning is through self-study. Weekly telephone tutorials allow contact with other course students and a tutor, and allow students to practice what they have been learning. Students learn in their own time in advance of the telephone tutorials, which are an essential part of the course and are led by experienced tutors. Each tutorial lasts about 45 minutes. On completion of the course, and having participated fully in its learning programme, students should be able to use Gaelic reasonably confidently and will be eligible for entry to the first year University level Gaelic courses taught through Sabhal Mòr Ostaig UHI.

EMPLOYMENT PROSPECTS

Students will develop skills which will enhance employment prospects in the following:

- Further academic study and language enhancement
- Gaelic/minority language development
- Community development
- Teacher training and continuing professional development

DESIGN AND STRUCTURE

The basic design of the Scheme reflects the UHI model of 6 modules at each level of study, with a standard module involving 200 hours of student learning and earning 20 SCQF credit points.

At undergraduate level, the GRSS comprises individual levels/courses, each based on Scheme core modules and specific modules relating to the degree specialisms.

Level SCQF 7 of the Scheme is primarily a language foundation year and depending on your linguistic ability on entry, you can study either An Cùrsa Comais or Gaelic and Communication. An Cùrsa Adhartais is a distance learning equivalent of An Cùrsa Comais, offered part-time over two years. The Level 7 is geared to providing students with the skills necessary to continue with university level study through the medium of Gaelic, or to take up Gaelic-related employment.

At Level SCQF 8, you will study the Scheme core modules, together with a broad education in Gaelic-related subjects. You can study modules relating to degree programmes in Gaelic Language and Culture, Gaelic and Development, Gaelic and Media Studies, Gaelic and Education and Gaelic and Traditional Music as preparation for further study at SCQF Levels 9 and 10. [See individual BA/BA (Hons) programmes]

As well as leading to further advanced study, the Diploma in Gaelic and Related Studies, is recognised as an exit

qualification in its own right and is available both face-to-face and through distance learning.

SCHEME ENTRY REQUIREMENTS

For direct entry to the three Cert HE courses and the individual BA/BA (Hons) degrees, see the individual course/programme information.

SPECIAL FEATURES

The GRSS offers you the opportunity to gain fluency in Gaelic by the end of Level SCQF 7, with continuing language enhancement thereafter. This will result in growing confidence and competence in employing different language registers and in engaging in abstract and philosophical debate. The Scheme also offers a wide range of course specialisms, incorporating flexible delivery options and progression opportunities, leading to Gaelic-related employment or advancement to a higher qualification.

Tha na preantasachdan gan lìbhrigeadh thar dà bhliadhna mar as àbhaist, ann an S5 is S6, cuide ri cuspairean eile a leithid Nàiseanta 5 no Àrd-ìre.

Tha Sabhal Mòr Ostaig a tabhainn dà Phreantasachd Tòiseachaidh tro mheadhan na Gàidhlig, Seirbheisean Sòisealta: Clann agus Òigridh agus Na Meadhanan Cruthachail is Didseatach.

Is e cùrsa fìor inntinneach a th' anns a' Phreantasachd Tòiseachaidh Seirbheisean Sòisealta: Clann agus Òigridh, air am bi thu ag ionnsachadh mu chuspairean bunasach do dh'obair-chloinne. Togaidh tu eòlas air an obair phroifeasanta agus air na tha an sàs bho latha gu latha ag obair le clann is òigridh. Bidh thu ag ionnsachadh mu dhion chloinne, slàinte is sàbhailteachd, conaltradh ri clann agus mar a tha clann is òigridh a' fàs agus a' dèanamh adhartais.

Air a' Phreantasachd Tòiseachaidh: Na Meadhanan Cruthachail is Didseatach, bi thu ag ionnsachadh mu chuspairean bunasach ceangailte ri bhith ag obair sna meadhanan. Togaidh tu eòlas air an obair phroifeiseanta agus air na tha an sàs bho latha gu latha ann a bhith ag obair anns na Meadhanan Didseatach - mar a bhitheas tu ag innse stòiridh, a dèanamh conaltradh agus margaideachd tro dhìofar shianalan.

Bidh iomadh cothrom romhad ma thig thu air a' chùrsa Preantasachd Tòiseachaidh agus is e ceum aithnichte a th' ann a dh'ionnsaigh obair agus foghlam àrd-ìre. Tha e na shàr eisimpleir do luchd-fastaidh agus do luchd-foghlaim gu bheil thu air a leithid a dhèanamh fhad is a tha thu fhathast san sgoil.

FOUNDATION APPRENTICESHIP

Foundation Apprenticeships offer young people the opportunity to gain valuable, real-world work experience and to access work-based learning while they are still at school. They are typically delivered over 2 years during S5 and S6 and studied alongside other subjects including National 5s or Higher.

Sabhal Mòr Ostaig currently offers two Foundation Apprenticeships, Social Services; Children and Young People and Creative and Digital Media which are both delivered through the medium of Gaelic.

The Social Services - Children and Young People Foundation Apprenticeship is an inspiring course on which you will study the key values and standards of childhood practice. You will experience what it is like to work with children and young people and learn about the professional standards required. You will look at a range of subject areas including safeguarding, health and safety, communication with children and childhood development.

On the Creative and Digital Media Foundation Apprenticeship you will study key aspects of working in the media industry. You will develop practical and theoretical skills, learning what the job entails in the day to day - crafting and telling stories, communicating and marketing through different media channels.

Foundation Apprenticeships are a stepping stone to future opportunities and upon successful completion of the course you will have a qualification that is recognised by employers and colleges & universities across Scotland. It also demonstrates to employers and education providers that you are willing to undertake a new challenge whilst still at school.

POILEASAIDH CÀNAIN

'S e àite sònraichte a th' ann an Sabhal Mòr Ostaig. Bidh sinn a' tabhann chùrsaichean tarraingeach inntinneach tro mheadhan na Gàidhlig ach, cuideachd, bidh sinn a' cruthachadh àrainneachd gu tur Gàidhlig aig a' Cholaiste, far am bi a' Ghàidhlig ga bruidhinn leis a h-uile duine fad an latha mar chànan làidir beòthail.

Aig Sabhal Mòr Ostaig cleachdaidh tu a' Ghàidhlig anns na clasaichean agad, ach cuideachd cleachdaidh tu a' Ghàidhlig fad an latha air feadh na Colaiste: bho cheannach stampaichean, cleachdadh an Leabharlainn gu spòrs agus bruidhinn ri caraidean. Cha bhi a h-uile duine fileanta nuair a thig iad, agus bidh feadhainn cleachdte ri bhith a' bruidhinn na Beurla ri chèile agus bidh aca ri tionndadh gu Gàidhlig. Ach gach bliadhna thig oileanaich dhan Cholaiste, bruidhnidh iad a' Ghàidhlig ri chèile agus thig an cuid Gàidhlig air adhart gu mòr.

Nuair a thig thu gu Sabhal Mòr Ostaig, faodaidh dùil a bhith agad ri àrainneachd gu tur Gàidhlig. Bidh sinn uile ag obair còmhla agus a' cruthachadh na coimhearsnachd Gàidhlig againn mar sgioba, ag ionnsachadh na Gàidhlig dha chèile agus a' cleachdadh na Gàidhlig mar bu chòir, mar chànan ar Colaiste, ar cultair agus ar dùthcha.

Gheibh thu barrachd fiosrachaidh mun Phoileasaidh Cànain againn agus mu Chùmhnant Gàidhlig nan Oileanach mus tig thu mar oileanach gu Sabhal Mòr Ostaig. Tha Sabhal Mòr Ostaig air Plana Gàidhlig ullachadh fo Achd na Gàidhlig 2005 a tha a' mìneachadh gu mionaideach mar a bheir sinn a' Ghàidhlig air adhart aig a' Cholaiste agus gu nàiseanta.

Tha sinn an dòchas gum faic sinn a dh' aithghearr thu mar phàirt de dh' Ionad Nàiseanta na Gàidhlig!

LANGUAGE POLICY

Sabhal Mòr Ostaig is an extraordinary place. We not only offer a range of exciting courses through the medium of Gaelic, we also strive to create a completely Gaelic environment at the College promoting Gaelic as a strong and vibrant spoken language in the 21st century.

At Sabhal Mòr Ostaig, you will not only use Gaelic in class, but your whole life at the College will be in Gaelic, from buying stamps and using the library to playing sports and hanging out with friends. Not everyone will be fluent when they arrive at the College, and some students may already know each other and be used to speaking English to each other and will have to switch to Gaelic. However, every year students come to Sabhal Mòr Ostaig and successfully use Gaelic throughout the day, making new friends in the language and greatly improving their fluency at the same time.

When you arrive at Sabhal Mòr Ostaig, you can expect a completely Gaelic environment at the College. This is something we all create together as a team, giving all students the best possible learning environment and giving Gaelic its rightful place as the language of our college, our culture and our country.

You'll receive more information about the College's Language Policy and the Students' Gaelic contract before you come to Sabhal Mòr Ostaig. Sabhal Mòr Ostaig has prepared a Gaelic Language Plan under The Gaelic Language (Scotland) Act 2005, which sets out how we will promote Gaelic at the College and across the nation.

We hope you decide to join us and take part in our lively Gaelic community here at Ionad Nàiseanta na Gàidhlig!
